Peggy Sims
Election Research Specialist
State HAVA Funding Reports
U.S. Election Assistance Commission
1225 New York Avenue, NW - Suite 1100
Washington, DC 20005

Dear Ms. Sims,

Attached please find a detailed list of expenditures for HAVA section 251 funding. All funds expended from section 251 comply with the "Help America Vote Act of 2002" (HAVA) requirements set forth in federal legislation as well as New Jersey's State Plan.

From October 1, 2004 through September 30, 2005 the State expended $4,269,049.71 of section 251 funding bring the total expenditures of section 251 funding to 4,333,455.50. This includes expenditures for the statewide voter registration system and voting information. For a detailed list of specific projects procured using section 251 funding please see the attached expenditure list.

Please also note that to ensure the proper use of HAVA funding and after reviewing the federal HAVA legislation as well as New Jersey's State Plan the education and outreach, travel, and office operating expenditures which were reported out of section 251 funding in 2004 have been reallocated to section 101 funding. Therefore the section 251 expenditures that were reported for 2004, which totaled $1,554,438.36, have been decreased to $64,405.79. This change was also reflected in the reporting of the 2004 section 101 funding. To provide additional backup for this change the attached expenditure list for section 251 funding includes ALL expenditures which occurred in 2004 and 2005.

ORIGINAL

Additionally, New Jersey's grant administration was reviewed by the Election Assistance Commission last month. In that review it was noted that the State needed to adjust the fringe and indirect costs charged to HAVA. These adjustments are in the process of being completed and will be reflected in the report to the EAC which will be submitted on March 30, 2007.

From October 1, 2004 through September 30, 2005 the State expended $516,012.89 of the State match requirement. This includes expenditures for the salaries and costs associated with the creation and administration of the HAVA unit. For more detailed information on the specific projects procured using the State match requirement please see the attached expenditure list.

Please also note that from the time that New Jersey received its first section 101 and 102 payment through the end of June 2005 the state earned interest of $769,592.10 on HAVA funding.

If you have any questions regarding this report please contact Bryan Rusciano at 609-292-6123.

Sincerely,

Michael Gallagher
HAVA Administrator
